For foreign riders wishing to stay from first to second weekend the horses can stay in the show stables (fee 600 DKK / 80 euro per horse), if this is ordered with the entries.

Remember the national passport of your horse, if you are away from your country for more than 10 days. It's a demand from the Danish state veterinarian. **FEI PASSPORT IS NOT ENOUGH!**

For the first weekend, riders will be accepted after the “first come-first served” principle. So if you want to ride, send us an email under jumping@jbkhorseshows.dk, so that we can accept the entry from your National Federation. Same principle for the CSI1* on the second weekend.

For the CSI3* you should contact your National Federation first to get a starting permission. If this is not possible, contact us under jumping@jbkhorseshows.dk
